

# The European Regional Verification Commission for Measles and Rubella Elimination (RVC)

convened by the World Health Organization Regional Office for Europe has verified that

## Turkmenistan

has documented achievement of rubella elimination for the period  
January 2012 – December 2014. This achievement, which will be reviewed annually, greatly  
contributes to the goal of eliminating measles and rubella throughout the European Region.

29 October 2015

On behalf of the European Regional Verification  
Commission for Measles and Rubella Elimination

Dr Günter Pfaff  
Chair
