№ 06/40

Dear Ladies and Gentlemen!

Ministry of Health and Medical Industry of Turkmenistan and Chamber of Commerce and Industry of Turkmenistan invite you to take part in the International Exhibition and Scientific Conference «**Public health, Education and Sports in the era of the Revival of a new epoch of the Powerful State**» which will be held on **10-12 October, 2024 in the Chamber of Commerce and Industry of Turkmenistan, Ashgabat.**

The Healthcare System of Turkmenistan has undergone fundamental changes under the leadership of the President of Turkmenistan and aims the world class of medical services. The healthcare infrastructure has significantly improved, it provides high-quality medical products, goods for sanitation and medical use for the people of Turkmenistan.

With the view of demonstrating the progress made in the healthcare sector in our country during the period of Independence, the Ministry of Health and Medical Industry of Turkmenistan, and Chamber of Commerce and Industry of Turkmenistan will hold an International Exhibition and a Scientific Conference called «**Public health, Education and Sports in the era of the Revival of a new epoch of the Powerful State**», during **October 10-12, 2024.**

Therefore the organizing committee has the honor to invite all those interested in cooperation with our country including the companies already active in the medical and pharmaceutical sectors of Turkmenistan. We consider it as a chance to demonstrate the achievements of our health sector and create an opportunity for dialogue and interaction between various stakeholders of the healthcare industry focused on investment opportunities.

The exhibition topics:

- *Medical equipment and technologies*
- *Dental specialties (equipment)*
- *Laboratory and diagnostic equipment*
- *Surgical instruments and fabrics*
- *Telecommunication systems for hospitals*
- *Orthopedics and rehabilitation*
- *Pharmaceutical, sanitary and hygienic products*

and other goods for medical use

- *Health, beauty and physical training*
- *Optics*
- *Specialized transport facilities*
- *Natural sources of health*

As per the tradition, a Scientific conference will be held within the exhibition framework during **October 10-12, 2024.**

For full information about upcoming exhibition and «**Public health, Education and Sports in the era of the Revival of a new epoch of the Powerful State**», please visit: www.cci.gov.tm , www.saglykhm.gov.tm
